

## **Stoma Prescribing Questions/Queries**

**Any product requests for any changes or switches from a DAC (Dispensing Appliance Contractors), or patients. Please follow the actions below.**

- **Do not change quantities or products on the patients repeat template without confirming with the relevant NHS stoma team first!**

**This is to ensure that:**

- **the patient is reviewed (high use/overuse of supporting products/ accessories can indicate poor stoma management)**
- **the product/item is appropriate for the patient**
- **clinically required**
- **is the most cost effective.**

**When contacting the stoma nurse for advice could you please have the following information:**

- **Patients name/ DOB/ surgery and NHS number**

**GWH Stoma Team – 01703 646202 [gwh.stomacare@nhs.net](mailto:gwh.stomacare@nhs.net)**

**SFT Stoma Team - 01722 429256 [sft.salisburystomacare@nhs.net](mailto:sft.salisburystomacare@nhs.net)**

**RUH Stoma Team - 01225 824056 [ruh-tr.stomatherapy@nhs.net](mailto:ruh-tr.stomatherapy@nhs.net)**
