

All about flu and how to stop getting it

Simple text version for children

Flu  mmunisation

Helping to protect everyone,
at every age

Anyone can catch flu.

Flu is caused by
a bug called a

virus

Flu can make
you feel ill.

If you are very ill you might
even need to go to hospital.

Here are the signs of flu.

blocked up nose

painful ear

sore throat

high temperature

difficulty breathing

dry cough

tiredness

aches

Having a
vaccine can
help stop you
catching flu.

The vaccine is a small
spray up the nose.

The best time to have a flu spray is in the autumn.

You need a flu spray every year as flu can change each year.

Will the nasal spray make me feel ill?

After a nasal spray you may:

This will go away in a few days.

If you have any questions or want more information, talk to your school nurse.
